Re: Patient Care Associates LLC a/s/o
D.C.S. and D.G. v. Cablevision, et al.
Civil Action No. 13-01806 (ES) (SMM)

Dear Judge Salas:

I write on behalf of defendant CSC Holdings, LLC, incorrectly identified as Cablevision, to request that the Court execute the enclosed Stipulation and Order extending the time in which defendant may serve an answer, move or otherwise respond to the Complaint until April 29, 2013 in this matter.

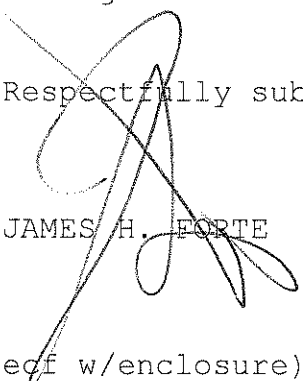

The basis for this request is that CSC Holdings, LLC needs additional time to attempt to investigate the facts underlying the Complaint and, based upon the information obtained from that investigation, determine how to respond. By way of example only, plaintiff brings this action as a subrogee of certain patients under an Assignment of Benefits Agreement but has not attached that Assignment Agreement to the Complaint. Plaintiff also refers in its Complaint to certain Explanations of Benefits ("EOBs") that defendant issued to these patients but did not attach the EOBs to its Complaint and has not identified the names of the patients.

Assuming the Court finds the enclosed Stipulation and Order acceptable, I respectfully request that the Court execute it and arrange for its e-filing.

I appreciate the Court's indulgence in this regard.

Respectfully submitted,

JAMES H. FORTE
